

## Want to grow your business?

Want to get \$\$\$ incentives while you employ a trainee?

Want to increase your company's productivity at the same time as enhancing your people's skills?

**Then we can help you to:**

get started with employing a new trainee

increase your staff's skills in a flexible way, even at your worksite

pitch your business to the future, keep pace with changes in OHS, food safety standards, and environmental awareness.
